

Engineering production

SA 600 UP automatic welding machine
SAP 2500/750 + SAO 337 automatic welding machine
SAO 324 automatic welding machine
NESSAP – 2100 KOMBI CNC cutting machine – plasma up to 25 mm thick
NESSAP – 2100 KOMBI CNC cutting machine – plasma up to 25 mm thick
Lathe CNC Dugard 200 MC
LAGOS painting booth 4 x 5.5 m
LAGOS drying booth 3.3 x 6.4 m
Blasting box TV W 50.60/6 booth size 4 x 3 x 2
Welding power supply – EWM PHOENIX 301, 351, 355, 401 and 405
ARG 300 CF-NC AUTOMAT Band saw
VersaCut 3106 Shearing machine
APH 3100/120 Press brake
Machinotech 5/1000 Bordering roll machine
MG MH 07510 and MG MH 2514 bending machine – to strong mat. 10 mm
Hydraulic press CBJ 500/5 – 500 t
VR 6A drilling machine
FA 4V milling machine
Production in two halls with bridge cranes with a load capacity of 3200 kg and 2000 kg
